WEAK, WEARY WOMEN

Learn the Cause of Daily Woes and End Them.

When the back aches and throbs, When housework is torture, When night brings no rest nor sleep, When urinary disorders set in, When the lot is a weary one, There is a way to escape these woes. Doan's Kidney Pills cure such ills. Have cured women here in Barre. This is one Barre woman's testimony.

Mrs. J. L. Cummings of 60 Elm street, Barre, Vt., says: "About three years ago I began to have serious attacks of kidney trouble. The worst symptom was a sharp stitch just over my hip, and the effects would last for about three days. During these attacks I could not sleep nights and could hardly get about the house at all. If I caught cold it settled across my back and aggravated the trouble. I used a good many remedies, but nothing gave me so much relief as Doan's Kidney Pills, which I procured at E. A. Drown's drug store. They relieved the pain and strengthened my back and proved in every way a valuable kidney medicine. It is six months since I have had any headache and I am beginning to think that the cure is going to be permanent."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Women in Our Hospitals

Appalling Increases in the Number of Operations Performed Each Year—How Women May Avoid Them.

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds women and girls who are either awaiting or recovering from serious operations.

Why should this be the case? Simply because they have neglected themselves. Female troubles are certainly on the increase among the women of this country—they creep upon them unawares, and every one of these patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at left or right of the abdomen, nervous exhaustion, pain in the small of the back, dizziness, flatulency, displacements of the organs or irregularities. All of these symptoms are indications of an unhealthy condition of the female organs, and if not heeded the penalty has to be paid by a dangerous operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital, but at once to an operation, but remember that Lydia E. Pinkham's Vegetable Compound has saved thousands of women from surgical operations.

When women are troubled with irregular, suppressed or painful periods, weakness, displacement or enlargement of the organs, that bearing-down feeling, inflammation, backache, bloating (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, they should remember there is one tried and true remedy.

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

The following letters cannot fail to bring hope to despairing women.

Miss Ruby Mushrush, of East Chicago, Ind., writes:

Dear Mrs. Pinkham:—

"I have been a great sufferer with irregular periods and female trouble, and about three months ago the doctor, after using the X-Ray on me, said I had an abscess and would have to have an operation. My mother wanted me to try Lydia E. Pinkham's Vegetable Compound as a last resort, and it not only saved me from an operation but made me entirely well."

Mrs. Alice Berryhill, of 315 Boyce Street, Chattanooga, Tenn., writes:

Dear Mrs. Pinkham:—

"Three years ago life looked dark to me. I had ulceration and inflammation of the female organs and was in a serious condition. My health was completely broken down and the doctor told me that if I was not operated upon I would die within six months. I told him I would have no operation but would try Lydia E. Pinkham's Vegetable Compound. He tried to influence me against it but I went on the medicine that same day and began to use it faithfully. Within five days I felt relief but was not entirely cured until I used it for some time."

"Your medicine is certainly fine. I have induced several friends and neighbors to take it and I know more than a dozen who had female troubles and who to-day are as well and strong as I am from using your Vegetable Compound."

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Lydia E. Pinkham, daughter-in-law of Lydia E. Pinkham, invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.

RATE BILL AGREEMENT.
Senate Conference Settles on Amendment as to Court Review.

Washington, May 3.—What amounts practically to an agreement on the existing differences concerning court features of the railroad rate bill has been reached by the conference extending over the last week, and Senator Allison will offer an amendment conferring jurisdiction upon the circuit courts to hear and determine suits brought against the Interstate Commerce Commission.

The amendment will not suggest to the courts whether their judicial review should be confined to constitutional questions or whether it shall be an inquiry into the justice or reasonableness of the rates fixed by the commission.

Senator Long, who made the principal legal argument for the House bill, and Senators Aldrich and Crane, the leaders in the movement seeking an amendment for a better court review, expressed themselves yesterday as favoring the amendment, and both factions are agreed that the compromise is satisfactory to President Roosevelt.

LAND FRAUDS CHARGED.
Five Oshkosh, Wis., Men Are Arrested.

Oshkosh, Wis., May 3.—Five lumbermen and bankers representing an aggregate wealth in excess of \$1,000,000 were arrested Thursday by Federal officers on a charge of conspiracy to defraud the Government by means of alleged land frauds in Oregon. The men arrested are Leander Choate, James Matt Bray, Benjamin Doughty, James Doughty and Thomas Daly. Each was placed under bonds of \$2,000 and the hearing adjourned to May 11. The charge contained in the Federal grand jury indictments under which the men were arrested is conspiracy to defraud the Federal Government by having furnished money to Oregon persons to make entries and buy homesteads in Oregon. Daly is cashier and the other defendants are stockholders of the Commercial National Bank of Oshkosh.

WILLIAMSTOWN.

Chas. Nixon moved yesterday into the house recently purchased of George Beckett on Quarry street. The house has been repaired and changed since Mr. Nixon purchased it, being much improved.

Chas. Bigelow of Brookfield was in town today on business.

The fishermen here have been very fortunate this season and some very nice fish have been caught. Among the lucky ones are Henry Griffin, N. B. Robinson and Ralph Snyder, each bringing home large trout and in most cases a good number of them.

Bethel, May 4.—Notwithstanding the scattered cases of typhoid fever in the outlying portions of the town, closing the schools in some cases, this village is not in any more danger from the disease. Measles, which lingered all winter, seems to have disappeared.

OIL INQUIRY MAY 10.
Interstate Commerce Commission Preparing to Probe in Chicago.

Chicago, May 3.—A thorough inquiry into the relationship between the railroads and the Standard Oil Company will be begun in this city on May 10 before the Interstate Commerce Commission. Special Counsel J. T. Magrath of the commission, who arrived here yesterday to make the preliminary arrangements, authorized the issuance of four subpoenas for local railroad officials.

The names of these men are to be kept secret.

Hundreds of subpoenas have been issued, it is said, for independent oil refiners in Ohio, Kansas, and Pennsylvania. Railroad officials from those states will also be summoned before the commission.

Bennington Congregational Society Is 70 Years Old.

Bennington, May 4.—The 70th anniversary of the organization of the Second Congregational church was observed in their church parlors and chapel last evening. The church was an offshoot of the old First church at Bennington Center, was organized with 35 members and not one of the originals is now living, and but few of their descendants. Rev. George S. Mills, the pastor, presided at the anniversary exercises.

After the literary entertainment there was a repast served by the ladies' aid society, with a few toasts and responses.

There were a number of messages of congratulation and regrets from those residing abroad who were not able to be present.
